

*When in doubt, make a fool of yourself.
There is a microscopically thin line between
being brilliantly creative and acting like
the most gigantic idiot on earth.
So what the hell, leap.

fools dancing on the edge

The Second Gathering of Fools

the fools

In the spirit of the sacred fool, who knows both all and nothing, please join us for the second Imaginal Institute Gathering of Fools to share, challenge, and support one another's work in imagination, myth, and poesis.

We are...creators, thinkers, and wonderers of all shapes and sizes...

coming together as colleagues to

- Share the brilliance and foolishness of our new ideas,
- Find sustenance in community, allies, and
- Indulge in fabulous food and crystalline conversation in the magically ridiculous Ojai.

the edge

Fools are challenged to dance on the edge: of your thoughts and ideas, of culture, of our work and play. The edge is a threshold and dancing upon it can invite both spectacular insights and equally spectacular pratfalls. That is its genius and its delight.

So, come, join a diverse community of Fools, and be delighted!
